LEGION FUNDS MISSING...SEEK CHAIRMAN

MAYDAY!

A Toronto pilot escaped with only a broken nose and scratches last Wednesday when his Cessna 180 aircraft crashed into hydro wires while attempting to land on Gull Lake and nose-dived into four feet of water.

Shaken, but still conscious, the pilot, Janpeter Kaphammel, 47, swam 100 feet

to a nearby island where two speed boats from Camp Kilcoo carrying the camp's supervisor, Tom Reed and Dr. Michael McCulloch reached him.

The injured man was rushed to Minden Red Cross hospital, then transferred to Ross Memorial hospital in Lind-

say where he was treated for a broken nose and facial lacerations.

Kaphammel, owner of Charles Flying Service of Mississauga Lake was landing near Kilcoo Bay at 8:30 p.m. where he planned to visit a friend when the accident occurred.

The private hydro line stret-

ches from the mainland near Braeside Motel across the water to a cottage on Long Island, H.D. Campbell, area manager of the Minden branch of Ontario Hydro said Friday that Hydro has an ongoing program of reducing wire hazards, but that this particular stretch of water was considered far too nar-

row for anyone to attempt a safe aircraft landing.

Damage was estimated at \$20,000. Investigation was conducted by Constable Dennis Potter and Corporal J.W. Dunn of the OPP's Minden detachment as well as a special team from the Federal Ministry of Transport Aircraft Accident Branch.

A 'substantial' sum of money running into thousands of dollars is missing from the coffers of Haliburton's Canadian Legion Branch 129. Police are seeking 54-year-old Harry Fountain of Haliburton on a charge of theft. The money, represents most of the proceeds from the Legion's recent car draw, of which Mr. Fountain was chairman.

Some 1,300 tickets were sold during the weeks preceding the draw at \$5 apiece.

According to police, Legion branch officials first checked on the funds after they were unable to locate Mr. Fountain.

In addition to the loss of the draw funds, the Legion must still pay for the car won in the draw.

As worried Legionaires met Monday evening with police officials to discuss the matter, rumors placed Mr. Fountain in a variety of locations, including England. Mr. Fountain had been employed at the Ol' Barn and was thought at first to be on a short vacation.

Jazz
festival
a
success

Some 400 toe-tapping music lovers were on hand last Friday night at Minden Arena for an all-out performance by the Illinois Jacquet Trio. The occasion was the first Canadian Blues and Jazz Festival.

Besides saxophonist Mr. Jacquet, other performers included Milt Buckner on organ, the phenomenal drummer Jo Jones and Russell Jacquet on trumpet.

The Trio set the mood for the whole evening with 'One O'Clock Jump', then ranged back and forth between superb classic jazz and blues through some swinging dance tunes culminating in the finale 'Flyin' Home'.

In addition song-stylist Jody Drake sang a memorial ballad to the late Duke Ellington along with other well-received numbers from her recent album.

Special highlight of the evening was a bassoon solo, an unusual version of 'Sweet Georgia Brown', by Illinois Jacquet.

The entire event was recorded and a record album entitled 'The Canadian Blues and Jazz Festival--Live at Minden' will be released later this year.

One dead
Minden lawyer
hurt

One person is dead and five others injured, including Minden lawyer J. Earl Palmer, 51, and three members of his family, following a collision on Highway 35 north of Norland last Friday afternoon.

Dead is Gertrude Charlotte Jameson, 67, of Scarborough. In Ross Memorial Hospital, Lindsay with unspecified fractures is the dead woman's husband and driver of one of the cars involved, William J. Jameson, 68.

Also in Ross Memorial Hospital where he is recovering from a heart attack, cuts and bruises is Mr. Palmer who was trapped for close to 30 minutes behind the wheel of his car.

Mrs. Marilyn Palmer and sons John, 12, and Thomas, 14 were treated at hospital for cuts and bruises and re-

leased.

According to police the Jameson vehicle is believed to have pulled out of the XL service station near Norland directly into the path of the southbound Palmer car.

Elsewhere Friday, two Haliburton volunteer firemen sustained damages of \$2,500 on their way to a \$500 cottage fire. Larry L. Scheffee, 20, and Roy H. Boughner, 44, both of Haliburton were answering an alarm sent in from a Willow Beach cottage when they collided with each other in front of, all places, the Fire Hall. Mr. Scheffee's car sustained \$1,500 damage while Mr. Boughner's damages totalled \$1,000.

Damage was estimated at some \$1,800 to a vehicle

Girl
abducted

A 14-year-old Haliburton girl abducted August 1st, is now back home with her family. Charged with abduction is Robert W. French, 21, of Agincourt who will appear in Minden Provincial Court August 27.

According to Ontario Provincial Police, Minden Detachment, French and the girl left Haliburton Village on August 1st and were picked up one week later by Metro Toronto Police in Agincourt.

Previously employed by D.P. D. Transport of Haliburton, French has been released pending his appearance in court on condition that he stay away from the girl.

Colorful carnival

The streets of Haliburton Village were overflowing last Wednesday evening as thousands of residents and tourists made sure they were on hand to admire the floats and displays in Haliburton's colourful Rotary Carnival Parade.

Winner of the Wig-A-Mog trophy and \$25 for Best Entry in the parade went to Haliburton Lumber Limited. In the Best Boys or Girls Groups division, first prize and the Glen Austin trophy, plus \$25, was won by Haliburton Hockey Haven; Camp Towhee took second and \$10, with Haliburton Scout Reserve winning third prize of \$5. Best Lodge Entry winners were first: Wig-A-Mog Inn for the Patchell Trophy and \$25, second Birch Point Lodge \$10 and third Halimar, \$5.

Best Merchant Entry winners were first place Haliburton Marine for the Es-

son Trophy and \$25, second

Vasey Real Estate, \$10 and third, The Ol' Barn Restaurant, \$5. The Haliburton County Centennial Murray Fearrey Trophy and \$25 were won by Stanhope Picnic Time. Second in that event was Western Tire, \$10. Third went to Curry Motors Limited, \$5.

The Bicycle by Ken Lewis, \$5, followed by L & D Pritchard, \$3 and thirdly Walkinon Indian Crafts, \$1. Best Bicycle Event was won by Philip Luck and Friend, \$2.

Special awards went to Dorset Lions Club, \$10. The Red Cross Swimming and Water Safety float won \$5. Winners can pick up their prizes from Glen Austin by phoning Glen at 457-1545. Winner of the 50-50 Rotary Draw held at the Carnival was Harry Brohm of Haliburton. Mr. Brohm and the Haliburton Rotary Club split \$810 prize money.

New growth

Robert Musclow of Natural Resources examines new growth.

Forest fires aren't all bad. That's the new attitude toward forest fires of the Ontario Ministry of Natural Resources. In the past five years staff of the Minden branch of Natural Resources have started and supervised dozens of controlled burns in the county.

For thousands and perhaps millions of years, naturally-caused forest fires have done the job of clearing useless trees and preparing the earth for new growth. These days, Fire Specialists at the Ministry are going one step further and selecting areas where fires will do the most good.

The reasons for starting these 'good' forest fires are many. For example, slash clearance, the disposition of the highly inflammable waste timber left after a timber cut, reduces the hazard of a fire in that area. Controlled burns clean an area of brush and slash so that new trees can be planted.

Another unusual reason for controlled fires is to facilitate the propagation of blueberries.

Years ago farmers had noticed that a blueberry patch would thrive after being burnt over. But early efforts by untrained persons at setting these fires often resulted in tragic mishaps. Early this year Snowdon Township asked the Ministry to burn a blueberry patch near the Rondale Road because thick brush was choking out the berry bushes. A Prescribed Burn Plan was sent to Toronto and approved in time for a Spring burn. In Springtime a fire will not burn the topsoil and neither will it bother nesting birds.

Thus on April 18th, a total of eighteen Ministry staff plus local fire wardens burned some 100 acres of the area, concentrating on spots where blueberries would most likely flourish. Three water pumps and several hand tools were established to make sure the fire did not spread. Last week, Robert Musclow of Natural Resources and Progress reporter Brian Bannon visited the site. They found that ferns and goldenrod had reappeared in abundance along with blueberries and huckleberries and that there is an excellent prospect of this area producing a good berry crop next summer. However a controlled burn for the good of an area is one thing; the wanton destruction wreaked by a rampaging forest fire is something else again.

Ministry of Natural Resources officials are quick to point out that this year's forest fire hazard in the Minden District is far from over even though recent rains have reduced it somewhat. They caution extreme care and vigilance by tourist and local residents alike.

UFO's BEYOND REASON

by
PETER G. SWEET

WHAT PROMINENT PEOPLE HAVE SAID

...Part 4

18th in a Series

Comedian Jackie Gleason, a long time believer of occult and psychic phenomenon believes avidly in UFO's. 'After all, I have been privileged enough to have seen two unidentified airborne objects'.

'Jackie claims that both incidents happened some time ago, but he is certain about what he saw. 'These were definitely not objects made on our planet--they weren't secret weapons--and were solid crafts, the likes of which I had never seen before. On both occasions the UFO's reflected the rays of the sun and were low enough for me to determine that they could not be explained by ordinary means'.

Jackie is adamant in his belief that there is life on other planets. 'Who is to say that our Creator only placed life on this greenglobe in space? There is now enough scientific evidence to support the contention that life similar to ours here on planet Earth, abounds throughout the cosmos. I am certain that there are civilizations a lot further advanced than our own. Besides', Gleason said, 'If we are able to travel to the moon and beyond at our stage of development, who is to say visitors from some other realm haven't journeyed here? I personally think they have!'.

Mr. James Harder, Professor of Engineering at the University of California and part-time private UFO investigator commented on such encounters as last Fall's Pascagoula incident of Parker and Hickson and alien beings. 'There is no reasonable doubt that these craft come from outer space. They are definitely extraterrestrial. Where they come from and why they're here is a matter of conjecture. The fact that they are here on this planet is true beyond a reasonable doubt. As in the Hickson-Parker case the aliens were cosmic anthropologists'.

'My theory is that the earth is a cosmic zoo,' he said. 'We are cut off from the rest of the universe. Every so often the keepers come in to make a random check of the inhabitants of that zoo. If a scientist picks up a laboratory rat, this may terrify the animal even though the scientist may have no harmful intentions. There is nothing to suggest that the UFO occupants have harmful designs on humanity'.

Referring to the craft, Dr. Harder added, 'They must possess a technology that is far in advance of ours. They can produce a vehicle that will fly 120,000 miles an hour and not be burned up. Let's also hope that their technology has not been as destructive as ours'.

Canadian actor, William Shatner, a converted skeptic of UFO's, tells of an incident that occurred to him several years ago in California's Mojave Desert.

'I was travelling across the desert on my motorcycle, when suddenly my bike simply stopped functioning. Panic hit me, as I realized the 130 degree heat would soon kill me unless I received help immediately. Suddenly, an object streaked toward the nearby horizon. As this 'thing' flew by, a voice impressed itself in my mind and told me which direction to go on foot, for help'.

Because of these directions, Shatner acknowledges the presence of some totally super-human force on this planet. 'After all', he declares, 'they did save my life'.

Fearing ridicule, actor Stuart Whitman, now admits being contacted by two men in a flying saucer, during the infamous East Coast power blackout in 1965. Reluctant to talk about the experience he said without specifically telling how UFO aliens conveyed intelligent information to him. They warned him that the power blackout was just an example of what could happen if earth and other planets did not learn to work together.

Early in 1974 a prominent UFO investigating section within the All-Union Cosmonautics Committee was formed with General Porfiri Stolyarov as chairman. The organization's headquarters is in the Central House of Aviation, Moscow. Dr. Felix Y. Zigel, Professor of Astronomy at Moscow's Aviation Institute, one of the scientists within this newly formed group says, 'Until recently, no scientific study of UFO's has even been made in the Soviet Union. The general theory was that flying saucers were fantasies, but our attitudes are now changing. Large numbers of serious scientists do not accept the idea that UFO's are visual aberrations'.

In regard to the manoeuvrability of the craft observed in UFO sightings in Russia, Dr. Zigel states, 'A considerable list of these seemingly intelligent actions indicate that UFO's are investigating us, they may even be reconnoitering. Strangely enough, UFO sightings increase when the planet Mars comes closest to earth. I wonder if that is purely coincidence'.

Dr. J. Allen Hynek, Professor of Astronomy at Northwestern University, a former consultant to Project Blue Book and Chairman and Director of the Centre for UFO Studies, has said, 'I believe UFO's are a real phenomenon. They are just as puzzling to us as nuclear energy would have been to Benjamin Franklin'.

A Real Winner!

Musical history was made last Friday night.

Less than eight bars after the first Canadian Blues and Jazz Festival got underway at the Minden Community Centre that night, the 400 or so music buffs on hand knew they had a winner.

Even those who travelled from as far away as Flin Flon, Manitoba to hear the Illinois Jacquet Trio and guests do their 'thing' found it an exciting experience, well worth the time and distance.

They came, too, from the United States, Montreal and Southern Ontario to join local residents and cottagers in what had to be the prestige event of the year.

The music was tremendous. The creativity and craftsmanship of the musicians was incredible.

Repeated standing ovations soon became the order of the evening as the appreciative audience became caught up in the sheer enjoyment of music that seemed almost inspirational.

Great credit is due Minden's Rotary Club, and in particular Rotarian Bill Hutchison for initiating what promises to be an outstanding annual event not only for Minden, Haliburton County and Canada, but for the world of music as well.

It was a real winner.

Of Age

Until recently the opportunity to dine, dance and drink in the Village of Haliburton and environs was, shall we say, rather limited except in one's home.

True, there was always the Canadian Legion, Branch 129, where one could buy a drink providing he was a member or, failing that, friendly with one.

And of course, there was the Beaconbrook Hotel just outside the village on Highway 530 where excellent food, drinks and entertainment were available.

Now, we see the Ol' Barn is licenced by the LLBO to purvey alcoholic libations while the Beaconbrook has added a sumptuous, new cocktail lounge, the Chimo Room.

In addition to its uncommonly delicious chicken it now offers excellent steaks, entertainment, dancing and, wonder of wonders, draft beer.

Nice to see Haliburton coming of age.

When it comes to saving money, comparison shopping is the best answer. Too often, however, any savings you might gain through this process are lost in driving around town visiting all those stores. It doesn't have to be that way.

The telephone in your home is a very useful piece of equipment which will allow you to conduct all the comparison shopping you want without any extra expense. In fact the money you can save through such checking can pay your monthly telephone bill.

When it comes to substantial purchases such as major appliances or furniture, you'll find that there can be a big difference in the prices quoted by different retailers. Why? Well many factors make this possible.

One store may have a lot more of one particular item than another and is more anxious to reduce its stock. Even different stores in the same chain will sell at different prices. Perhaps one outlet still has some merchandise purchased before a factory price increase. Shopping around can uncover this information.

Discontinued items by one store or just general competition can also cause wide price variations. To save money, comparison shop, but doing it by telephone will help you keep your savings.

Dear Sir;
Last Friday evening, myself and two friends, attended the "Stomping Tom" show at the Minden Arena. It certainly is a large and attractive building, and Tom himself put on a good show, when I was able to see him. But, I have never before seen an audience behave so badly. When the seats were arranged, a wide centre aisle was left open, and throughout the entire show, hundreds of adults and children, trooped up and down it constantly. My view was constantly being blocked by these ignoramuses. One boy, built like a baby elephant, made at least 20 trips to the snackbar, each time returning with soft drinks. He must have been watering a herd of elephants. In addition, there were other clods who constantly changed their seats, as if they had ants in their pants. In front of me was the most obnoxious child, who emitted ear-piercing whistles at frequent intervals. I had to leave after the first show or I would have done some stomping myself, on the child's head. In the future, I would certainly hesitate buying a ticket for a show in this arena, unless some better control could be instituted. The entrepreneurs of these shows would be well advised to have ushers or bouncers, if need be, to regulate these inconsiderate louts, and to eject foul-mouthed drunks, who also were quite in evidence.

Sincerely,
Alice L. Gilroy

Dear Sir:

Are there enough people interested in Lawn Bowling to form a Club in Minden? Some of the curlers might be interested in the game that has weathered depression and inflation since the Spanish Armada was sighted off the shores of England. Both ladies and gentlemen can enjoy a couple of hours on the Green having fun and making friends. No need to be an expert, for it has been my experience that the old-timers consider it a favor if they are asked how to get a bowl away. The nearest clubs seem to be Peterborough, Lindsay and Cannington, and I'm told that they draw members from the surrounding areas. This leads one to wonder what the potential membership could be when drawn from the cottages north and south, east and west. Food for thought are the extra benefits that our business community would derive especially on tournament days when the players and their families have time between games to wander in and out of stores. This is just a bud of thought that this writer hopes might grow in the minds of others. Many thanks to your paper for lending the strength of your publicity arm and the courtesy extended to me in your office.

Dear Sir:
Would you please publish this letter in your paper. I would like to make a suggestion to the council or on of the local service clubs. I realize they are all very busy during the summer. In my opinion a very worthwhile project for fall would be to restore the natural water spring on the corner of Newcastle and Lyon Streets. It is badly in need of repair and cleaning. I lived close to this spring for thirty years. It never went dry and the water was always clear and cold. Many summer people remembering it from years back came and took water by the canful to their cottages. Before the town water works was installed it was piped into five houses all with bath-

rooms besides what was carried to other houses nearby.

I understand that this spring is on township property. It seems a shame to let a natural water supply like this be neglected in these times. Sincerely,

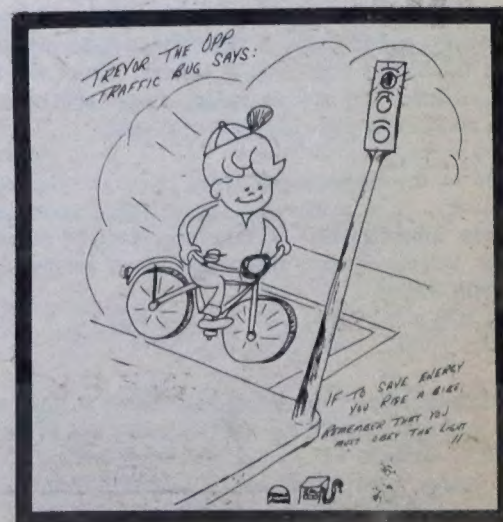

Amy Richardson

I would like to thank you for putting my cartoon in the paper. It was the first thing that I ever had printed in any paper. The main reason I'm writing is to send in another drawing. I was happy to see my first drawing in my hometown paper.

CENTENNIAL CORNER

THE INTERNATIONAL MUSEUM OF CANOES AND KAYAKS

(located on the grounds of CAMP KANDALORE,
Township of Stanhope)

About twenty years ago a group of interested persons fostered the idea of creating a museum in Haliburton County comprised of Historical canoes, kayaks, paddles, etc. The impetus towards this end was in the form of a donation of a bass-wood dug-out canoe by Professor M.G. Griffiths of the University of Toronto.

From this donation has grown a collection of approximately two hundred craft, either presently at hand or promised, from many parts of the world. Included are craft of many types and for many uses, such as bark, dugout, all-wood, canvas covered and racing canoes, plus kayaks, rowing craft, and special purpose canoes, such as freight and war varieties. Complementing this is a large array of oars and paddles.

Appropriately enough, a wood carving of Tchimose, sea monster of Indian legendry, stands at the entrance to the two-storied, cross-shaped structure which houses the unique collection. The Museum is open to the public from May to October and also boasts a Heritage Trail.

Jazzmaker

Illinois Jacquet

They came, all 400 of them, from New York, from Montreal, even Flin Flon, Man., to hear superb music at Minden's Canadian Blues and Jazz Festival last Friday and they got what they came for. The Minden Rotary Club sponsored festival was the first of its kind ever held in Canada and comments like: 'This will put Minden on the map', and 'In a few years, bigger than Newport', were soon circulating through the excited crowd. And what a crowd! An ecstatic Minden Rotary Club President Bill O'Brien told the enthralled gathering that never in its two-year history had Minden's Community Centre known such finger snapping, totally swingi-

audience. The musicians mingled freely with the crowd, everyone talking about a bigger and longer festival next year. The world-famous Newport Jazz Festival started in the 1960's and became so popular within a few years that it is now a multi-million dollar event lasting several days. All the performers at the Minden Festival, tenor saxophonist Illinois Jacquet, his brother trumpeter Russell, organist Milt Buckner, drummer Jo Jones and incomparable vocalist Jody Drake were given standing ovations again and again. Already a record album commemorating the event entitled 'The Canadian Blues

and Jazz Festival, Live in Minden, Canada' is scheduled for release next month. Credit for cornering this prize event for Minden goes to Bill Hutchison of the local Ministry of Natural Resources office together with Bill O'Brien. 'Imagine!' commented Mr. O'Brien, 'Five internationally famous music stars together for one of the few such festivals in the entire world and where was it held? Right here in Minden, Canada!' Following Friday's performance, the Minden Rotary Club announced that the 2nd annual Canadian Blues and Jazz Festival would be held in Minden next summer.

KUSHOG LAKE - 3 bedroom 24 x 32 ft. 'A' frame chalet, insulated, wired, 3 pc. bath, electric and oil heat, very attractive, needs some interior finishing, year round access. Also one 46 ft. x 12 ft. two bedroom mobile home, completely furnished and insulated, year round living, also large 12 ft. x 30 ft. storage shed and workshop. Situated on a 215 ft. x 400 ft. well landscaped lot, safe sandy beach and good dock facilities. Asking \$39,500.00. Terms.

RESIDENTIAL AND COMMERCIAL LOTS

MINDEN AREA - Residential - level lot on corner, 2 miles from village. Asking \$4,000.00. Access to River and Gull Lake.

MINDEN - Commercial - flat, good site for a commercial building. Asking \$10,000.00. Lot is 272 ft. x 175 ft. with town water.

MINDEN VILLAGE - Residential - overlooking wooded parkland, located in new Minden sub-division, excellent site for a front split level home, town water, minutes from shopping. Asking \$6,500.00.

HIGHWAY #35 - Commercial lot, 200 ft. frontage, corner lot, cleared for building, town water. Asking \$12,000.00.

REGATTAS

BRADY LAKE

By Jim Pink

Our first regatta was held on Sunday, August 4. In spite of many heavy showers, it was completed in the late afternoon. The following events were held with winners indicated in each classification.

Canoe Race - Singles - Larry Kelly. Doubles - Roger and Larry Parsons (father and son)

Motor Boat Races - Under 7-1/2 h.p. - Bruce Kennedy
7-1/2 - 18 h.p. - Danny Carter
18-40 h.p. - Bruce Hatton
40 h.p. and over - Rick Rusk

Sea Flea Competition - Bruce Kennedy

Sail Boat Race - Allan Kennedy

Swimming Races - Age 7-10 - Murray Hutchins,
Age 10-14 - John Walker
Age 14-20 - Steve Walker
Open - Bill Bonvanle
Toddlers Splash Race - Jamie Pink

Chief Judges - South shore - Mr. Clair Ormerod
East shore - Mr. Charles Carter

On the basis of 5 points for a 1st, 3 points for a 2nd, 1 point for a 3rd, the following champions of the regatta were determined:

Mens Champion - Bruce Kennedy. He was presented with a trophy donated by his father, Bill Kennedy.

Ladies Champion - Janet Allison. She's a blonde beauty of 3-1/2 years of age. She was presented with a trophy donated by Harry Walker.

Family of Champions - The Kennedy family. On behalf of the Kennedy clan, Bruce Kennedy received the trophy donated by Jim Pink.

At the conclusion of the annual picnic, the fishing trophies were presented by Gordon Ormerod as follows:

Muskie Trophy - donated by Barb Sanders was won by Clair Ormerod. Clair had the largest Muskie catch this year. It was 34 inches long.

Wyer Trophy - for the largest bass catch this year in the 15 years and under class, Donald Strange won with a bass 17-1/2 inches long.

Ormerod Trophy - for the largest bass catch by a senior, John Strange landed one that was 18 inches long.

A great deal of interest and enthusiasm was evident throughout the entire day's program. A majority of the Brady Lake cottagers were present at most of the regatta events. It was proven conclusively that this is a REGATTA LAKE. We are all eagerly looking forward to our next annual regatta.

DAVIS LAKE

By Julie Chadwick

At the Davis Lake Novice Water Ski Tournament, some of our Boshkung Lake skiers entered and placed well. Here is a list of the winners.

BOYS - Bill Hicks - 1st Tricks, 1st Jump, 1st Overall
Bruce Hicks - 2nd Tricks, 2nd Jump, 2nd Slalom
2nd Overall
Tom Wiltshire - 1st Slalom
GIRLS - Anne McLaughlin - 1st Slalom, 1st Jump, 2nd Tricks, 1st Overall
Kirsty Hopkings - 1st Tricks, 2nd Slalom
Pat Sault - 3rd Slalom

Then again at Chemung Lake on Sunday, August 4, they placed as follows:

BOYS - Bruce Hicks - 1st Tricks, 1st Slalom, 1st Jump
1st Overall
Bill Hicks - 2nd Tricks, 4th Slalom, 2nd Jump
2nd Barefoot, 2nd Overall
Tom Wiltshire - 4th Barefoot

Due to a shortage of girls, there were no girls classes run.

LAKE BOSHKUNG

By Mrs. Margaret Lythgoe

There were grey skies over Lake Boshkung on Saturday, August 3, but this did not seem to dampen the spirits of

those who attended their cottagers association's annual summer regatta held at the Matabanick Inn. There was an excellent turnout of both spectators and participants for the 37 events which appealed to young and old alike.

We saw a ski demonstration by the Lake Boshkung Skiers which included a 5-man pyramid, 2 barefoot skiers and a kite flying demonstration.

The Association expresses thanks to the many local merchants who donated Lucky Draw prizes and also to The Matabanick Inn for the use of their facilities for the afternoon.

Minden Fair

By Irene Moore

Did you know that in the 1800's a group of settlers decided that it was too much of a hardship travelling around from farm to farm when they wished to barter or purchase, so they held a meeting and decided to have a central place where all could bring their things and they would all meet once or twice a year.

The Ladies weren't to be left out, so they would provide the meals, exchange recipes and quilt patterns, etc. and this was the way The Minden Fair got started.

'Officially' the Minden Fair is just 100 years old, for that is when the first County Council gave them their Charter to hold Fairs each year, BUT, 'unofficially', Minden Fair is 110 years old, and we believe that when something can survive and grow in that time, it is well deserving of everyone's support now; so why not come out and see for yourself on Aug. 24 and 25. The women are still in there with their food and fancy work and the men are still showing their animals and maybe, if you ask nicely, you can purchase some things to take home. Now they combine entertainment for all with the Fair and everyone can have a whale of a time.

'Join us won't you'.

Speeding fines up

Speeding motorists will find their wallets getting lighter these days as fines for speeding rise effective Aug. 15.

Ontario Provincial Police announced the increases which will cost a motorist who is driving 20 m.p.h. over the speed limit a total of \$63 or \$23 more than before the increases.

From one to nine m.p.h. over the speed limit the fine will be \$1 per m.p.h., no change from before. From 10 to 19 m.p.h. over the limit, the fine will be \$2 per m.p.h. up 50¢. Speeds from 20 to 29 m.p.h. more than allowed will cost \$3 per m.p.h., up \$1. Under the new laws a motorist who dares travel 30 m.p.h. or more over the limit must appear in court and could pay up to \$5 per mile.

driven by Brian S. Robinson, 17, of Haliburton after a Hwy. 121 accident early Tuesday morning when Robinson attempted to pass another vehicle, then turned back behind it losing control on the shoulder of the road where his car skidded sideways into the ditch and rolled over.

Cars driven by Larry A. McKnight, 26, of Minden and James B. Gilbert, 21, of Lochlin collided on Hwy. 121 just east of Minden Saturday when Mr. Gilbert attempted to pass Mr. McKnight while the latter was making a left turn. McKnight is charged with making an unsafe turn.

Five employees of Haliburton's Curry Motors Limited are the proud owners of a 1974 American Motors Javelin after their jointly-held ticket won the recent Haliburton Rotary Club Carnival Car Draw.

The quintet, Dale Emmerson, John McNeil, Mary Pearsell, Lois Whittaker and Len Salvatori, announced after the draw they intend to sell the Javelin and split the proceeds five ways.

ABOUT THE TOWN

with Jeanne Sears

Noticed in the Post Office, Picture Postcards with stamps on them and notes written, but someone forgot the address. Did you forget to put the address on yours? Congratulations to Lynn McNabney who won the Snowball of \$16

Mrs. Mary Van Winkle of Toronto was visiting Mr. and Mrs. Robert Herlihy last week. Persons in out-of-town hospitals include Earl Palmer and Kit Harding at Ross Memorial, and Alfred Richardson at St. Joseph's Peterborough. Everyone sends good wishes to them for a speedy recovery. Weekend guests with Mrs. Lorne Dawson were Major and Mrs. J.K. Dawson and 2 children of Ottawa and Miss Muriel Dawson and a friend of Toronto. Holiday weekend guests with Mr. and Mrs. Delbert Hie included Mrs. Ruth Howard of Long Branch, Mr. and Mrs. Bill Ketrachuch of Stoney Creek, Mr. and Mrs. Lorne Bull and family of Oakville, Mr. and Mrs. Wilfred Harrison and family of Oshawa, Mr. and Mrs. Dwain Hie and family of Richmond Hill, Mr. and Mrs. Len Reddy and family of Port Credit and Ellen Barton of Oakville.

Little over a week away is Minden's Fair and everyone is looking forward not only to seeing the exhibits, going on the rides, enjoying the stage show but also to seeing old friends, many who only visit our village at this time. See you at the Fair. Blanche and Frank Wright and Chris are away enjoying a motor trip to the west Coast and Alaska. Trudy and David Coulter visited last week with Mr. and Mrs. George Johnson of Whitney and returned home with their parents over the past weekend. This is a busy time with fruit and vegetables mature. Many farmers have produce for sale and you know it is fresh. Pick some up for your freezer or table or at your near-by store. It must have been a huge chore when all your vegetables had to be canned for the winter before we had freezers.

The executive of Minden Women's Institute held a meeting at the Library last Tuesday afternoon and made plans for their Fall Bus Trip on Oct. 2nd. Jean and Ray Hyde of Waterloo have been visiting Mr. and Mrs. Les Burke and family. Sincere sympathy to the families and friends of the late Mrs. Joseph Shaw and Mrs. Bob Peacock whose funerals were since last week. Mrs. Tom Parrish and family have returned home after a Camping Holiday in our County. Guess What? The Bulls burned up Big Bob Lake on Saturday Aug 3/74. In 1964 they bought the place now the doggone thing is paid for. About 80 friends were there to help them with their celebration. Everyone said it was a roaring success (no pun intended) congrats, George and Margie now you can put your feet up and see the rest of us sweating it out.

Next Monday nights Comedy in Live Theatre at the high school auditorium is "Secret of the Spyglass". Curtain time is 8:30.

Boasting his car could be induced to
Turn on a dime if reduced to--
He stretched his luck,
In front of a truck.
Ten cents doesn't do what it used to!

Noted in another column that the Minden W.I. Quilt Block was in the Quilt at the Science Centre. They are still asking for more blocks, if you wish to send one with your design and name, send it to Ontario Science Centre, 770 Don Mills Rd., Don Mills, Ontario.

Hint of the week** To help remove a sliver, rub with an ice cube, and then work on it, no quite so painful.

This week the CNE starts in Toronto and many people will avail themselves of the special buses going to this and coming home after the Fireworks. A long day but there is lots to see and enjoy when you get there. Don't know if you ever had this experience, but recently we watched two little skunks playing in our backyard, late one night. They were upsetting our dogs and, of course, no one went near them. They haven't been back that we know about. Also hear there are bears around not far from won.

Nice weekend, rain stayed off till Monday. Some accidents again, so drive carefully. Cheerio until next week.

LOCAL PLAY-OFF ACTION

MIDGET C

BAIN, SHAW, TREPANIER GULL RIVER WINS EVEN SERIES

In Midget 'C' OASA play-off action this past week, Vasey's Midgets came up with a split in their first two games with Uxbridge.

On Monday evening in Uxbridge, the home team did in our boys 12-9. Al Trepanier hit a homer in the top of the ninth but that was all they could muster.

However, in Haliburton Thursday evening, the Midgets put it all together offensively and defencesively to drub Uxbridge 20-7.

Barry Shaw led the offence with five hits including a three run homer. Tim Bain also had five hits four of which were doubles to account for three runs batted in. Barry had seven RBI's. Al Trepanier had four hits, all doubles and drove in six runs. All together the Vasey team picked up twenty-three hits and were issued nine walks.

Shaw picked up his first victory of the year for Vasey's, giving up seven runs on thirteen hits and seven walks while fanning five. The next game in this series is in Haliburton on Thursday, August 15 at 8.30 p.m.

HARTWICK FANS FIFTEEN TO EVEN SERIES

After an horrendous opening game in Fenelon Falls, where they fell 21-7, Gull River bounced back with one of the finest games seen in this area this year.

On Monday evening Gull River Bulldogs journeyed to Fenelon Falls for their first game in the OASA Intermediate C series with the Falls.

The game was a total disaster from the fourth inning on as our local fellows just plain fell apart in an easy 21-7 victory for Fenelon.

The second game was the exact opposite of the first, with Rick Hartwick the story of the game.

Rick landed in Toronto at 5 pm after a week in England on holidays. When his parents, who picked him up told him there was a game in Haliburton at 8 pm he arrived fifteen minutes before game time and took the field at shortstop. This is a rare athlete indeed.

In the second inning with one out starting pitcher Craig Stamp was ordered from the mound by the umpires for supposedly illegal pitching. This is where Rick took over. In the next seven and two-thirds innings, Rick gave up one run on three hits, walked one and struck out fifteen, to win 6-1 and even the series with Fenelon. Rick pitched this type of game without having touched a ball in twenty-six days, incredible!

The game was scoreless when Gull River came to bat in the bottom of the fifth. Paul Sisson started things off with a single, Bob Austin and Jim Burk then grounded out, bringing up pinch-hitter Neil Burk who singled and Paul scored, 1-0. Gary McKnight then drew a walk and both he and Neil moved to second and third on a passed ball. Cliff Burke then tripled to right, 3-0. The inning ended 4-0 when Rick Hartwick singled to score Cliff and Craig Stamp filed out.

The Builders rounded out their scoring in the sixth when Paul Sisson walked and came home on Bob Austin's triple. Bob scored on a fly ball to left by Jim Burk.

Fenelon Falls scored their lone run in the ninth when Ken Griffin singled to left, stole second and scored on Bruce Switzer's double to centre.

PONTYPOOL WINS IN STRAIGHT GAMES

The Dominion Hotel Shufflers had a rough time of it with Pontypool in OASA Intermediate C action last week. The first game was played here in Minden on Monday evening and Pontypool came up with nine first inning runs to win going away 15-2. Pontypool also had three home runs in this game.

The second game in Pontypool Thursday was not much better as errors by Dominion led to their downfall 12-4 and an early exit from the play-offs.

O.A.S.A. PLAY-OFFS

OPENER

Gull River Bulldogs opened up a one game lead in their best four of seven series with West Guilford Redmen on Sunday in Guilford, with a come from behind 7-5 victory. The Builders went in front 2-0 in the first inning on four straight singles, however, the Redmen came back with four in the bottom of the inning, capped by a two-run homer by Paul Sisson. Guilford went ahead 5-2 in the second before Gull River settled down and started the climb back to win. Rick Hartwick made it 5-3 in the third when he singled, stole second, third and home. Doug Heath singled, Cliff Burke was safe at first on an infield hit, Neil Burk walked. Doug was then brought home on Al Trepanier's fly ball. In the sixth Wayne Johnson doubled and stole third and home. George Simmons then put the Builders ahead when he walked and came all the way home when the Redmen tried to pick him off second only to have the ball go all the way to the centre field fence. The Builders final run came when Heath walked, took second on a ground out, stole third and home.

Hartwick, playing his second game in twelve hours, picked up the victory, allowing five runs on eleven hits, no walks and fanned ten. Craig Stamp took the loss for Redmen, giving up seven runs on eight hits, five walks and struck out four.

DOMINION DOWNS CRIPPLED HUSKIES

With Havan Cook out for the season with a badly sprained ankle and Mark Schellaway working, the Haliburton Huskies appear to be easy pickings for the injury free Dominion Hotel Shufflers. The Shufflers defeated the defending Champions 12-3 in the opening game of their best four of seven series here in Minden Sunday evening.

Dominion held a slim 3-2 lead in the fourth but the Shufflers bats came alive in the fifth when they scored four times and then put the game out of reach in the sixth with five more runs, including Mike Jackson's three run homer. Jack Snell picked up the win for Dominion while Gary McKnight suffered the loss for Huskies.

The next two games in local Senior play-off action will take place in Minden and Haliburton. Watch for Ball Posters for dates and times.

THEN & NOW

BY WALTER NOICE

The country doctor of the old 'horse and buggy' days. Sometime, I hope to write an article on the life of the late Dr. Charles D. Curry, who was the first resident doctor to practice medicine in Haliburton County. In the meantime, I give you this in his memory. Inasmuch as the country doctor is far and away smarter than them city slicker doctors, I's aritin' this here cronicle in memory of one of 'em.

Now some folks as lives in the city may say as the above aint so, but then, chances, is that they has never knowed a country doctor.

Do you know that the country doctor is more necessary to the welfare of the nation than the French language is to a 'bill of fare'?

He devoteth hisself to the relief of the woes of mankind and sometimes he gets paid in cash, but mostly he gets maybe a couple of chickens, or a side of pork or a couple of dozen eggs or a peck of potatoes.

He goeth forth in the gray cold dawn of the mornin after hitchin up old dobbin to the buggy, to see Mrs. Scott at Gelet who has new monia and old man Scott gives him a bushel of oats for his visit. Before the mornin is went, he's been to Lochlin and Ingoldsby and arrives home with a couple dozen eggs and a bag of carrots, besides the oats.

His afternoon is took up by goin up the Bobcaygeon road to maybe the Coulters or the Gouldies or praps all the way to Danny Gannons.

Arriving home, he eats his supper because all country doctors eats their dinner at noon.

He tolleth with ceaseless energy and he giveth his old clothes to his hired man who tends the horse and cleans the stable.

He weeps with them as weeps and he rejoices with them as rejoices and he makes no extra charge for twins. At home, he drinks milk or maybe a spot of tea and abroad he drinks good cold Highlands of Haliburton water with maybe a dram or two of gin or a wee bit of 'Scotch', yet his breath remaineth as frankincense and myrrh mingled with attar of roses.

He knoweth the ways of the city 'specialists', yet as he is not one of them, and some of the 'ectomies and otomies' them fellers propound are to him as tinkling brass and sounding cymbals, or maybe it's tinkling cymbals and sounding brass, I aint sure, which comes first. In the mornin perchance, he fixes a busted leg or maybe pulls out a tooth and around noon he may repair a feller who got hisself caught up in a threshin machine.

He rideth sometimes under the twinklin stars or beside the quiet runnin waters while the night bird gently calls, and as he rides, his brain is busy tryin to figure out what the heck is wrong with Aunt Abigail.

He arriveth home and burneth more midnight oil ponderin about the ailments of his patients.

Day after day he drives over the countryside in the old buggy or maybe the cutter, dependin on the season, and about the only light to be seen abroad at night is the light from the oil lantern fastened to the dashboard as he makes his rounds.

He liveth on terms of friendship and brotherly love with all mankind. As he turneth old, when the almond tree flourisheth and the grasshopper becometh a burden, his thoughts turneth to other things like trying to raise early tomatoes that will beat the frost, or to growing the biggest cucumbers in the county.

And when the silver cord is loosened and the pitcher is broken at the fountain, and while the mourners go about the street, he goeth to his long home to be greeted by his erstwhile patients and together they will wander down the corridors of the infinite, chatting of bygone days.

Goodness and mercy was his daily gift to all, his reward, a dwelling-place in the House of the Lord.

How to make your move a little bit easier.

1. As soon as you know your new address, let us know, even if your final moving date is not settled. Simply fill in the moving notice that comes with your phone bill, or phone us at the number below. We'll get things started and you can give us the final details later.

2. Plan the service you need and choose your phone locations carefully, to avoid the cost of changing later.

3. If you want special phones or extras, make sure you know the extra costs - both initial and monthly. Ask us to itemize them for you... to be sure.

4. Order everything together to avoid additional installation charges.

5. On moving day, take your old directories with you (but please leave your phones).

6. Cut out these tips and keep them until you're all settled in - they'll help make your move a little easier.

Strange lights dazzle Dongola

A dazzling display of fiery lights in a rain-sodden sky outside their Dongola home is the latest in a series of UFO sightings perplexing Shirley and Ron Newman. According to the young couple, they were working outside their home east of Norland ten days ago when they spotted the lights shortly after 8 p.m.

'I was standing on a ladder when I first saw them', recalled Mr. Newman, who said there were nine lights in all, each 'as bright as the sun' and shining through treetops less than a quarter-mile away.

They were in the shape of a 100-yard triangle', said Mr. Newman who described running across fields and leaping fences to reach them. When he tried to outflank the lights, they vanished. According to Mrs. Newman she first noticed the lights when her husband called her attention to them.

'They were so bright they hurt our eyes', Mrs. Newman said. 'I watched them until they suddenly vanished when Ron tried to circle around them'.

Both the Newmans described the lights as motionless and 'brighter than a setting sun'. The sky was heavily and totally overcast at the time. Last June the Newmans were plagued with a variety of unexplained lights and noises in another field near their home. All were seen only by Mrs. Newman, ex-

cept on one occasion when her husband noticed strange lights while closing a window.

'I was sort of skeptical about it all until this happened', he said. 'Now I just don't know what to believe. I know what I saw, but I can't explain it'.

Mr. Newman is a carpenter, his wife a former Minden bank teller.

Regular gas for '75 Fords

Months of rumors fell by the wayside this week with the announcement by Ford of Canada that almost none of its 1975 cars and trucks will require unleaded gasoline. With the exception of one optional engine, all lines of Ford's 1975-model cars and two-thirds of its light trucks, to be introduced this Fall, will operate on any type of gasoline--regular, premium and unleaded.

Since only 19 per cent of Canadian gas stations are equipped with unleaded fuel, the Canadian government has permitted less stringent pollution standards on 1975 cars than will be required in the U.S. Other pollution gadgets, however, such as improved carburetors and radial tires are expected to cut down pollution on 1975 cars to 60 per cent of the 1974 level.

Beaconbrook

New look

They call it the Chimo Room and it heralds a whole new approach to dining and drinking by Haliburton's Beaconbrook Hotel. For some time now the specialty of the house has been good drinks and the world's best deep-fried chicken, all in a friendly, relaxed atmosphere. Still retaining the drinks, chicken and atmosphere Ben and Lil Bannach have now added superb steaks at unbelievable low prices in

the dining lounge plus the all new Chimo Room. A cocktail lounge in the traditional big city style of low key lighting, chic decor, and relaxed comfort, the Chimo Room offers the big plus of draft beer. Complete with stage and dance floor, the new room features nightly entertainment and dancing. A real attraction for the Village of Haliburton and in fact, the whole Highlands.

Two hole-in-ones!

Golfer R. Sheffield of Chicago scored a hole-in-one on the 164-yard 6th hole at Blairhampton Golf Club, Saturday, August 10. His partner was a Mr. Carmichael of Head Lake.

Mr. Art Cruickshank from West Hill scored a hole-in-one on #6 Hole (230 yds) on Aug. 10, 1974 at 8 in the morning. This is the first time a hole-in-one has been scored on this hole. It was witnessed by George Moore as well as Ted and Doug Hutton, all from Bowmanville. Art used a 4-wood.

Food Sense in Canada— NUTRITION PLAIN TALK

DOUGHNUTS RING THE BELL

For many years, bread-making in Canada was almost entirely a domestic art. But with the development of towns and cities, this function passed from the homemaker to the local baker; and then, with the invention of automated processes, improvement in transportation methods and highly developed manufacturing techniques, the bread-making trade moved into the realm of the mass producer. In the year 1900, only 8% of Canadian housewives bought bread; by 1950, 95 out of 100 regularly purchased bread made in bakeries.

Mass production hasn't stifled the industry as many might think it would. In 1953, Canadian Bakers began a voluntary flour-enrichment program, adding 3 B vitamins and iron which makes bread today one of the most nutritious foods available. Contrary to popular belief, bread is also low in calories; in fact, it's considered to be an integral part of any weight-loss diet.

This adoption by an industry of what was once considered a domestic art now lends time to create other tasty treats in the kitchen at home. One such item, the plain Doughnut, can be picked up at the corner bakery or supermarket, then glazed and decorated. It is not only easy to prepare, but lends a delicious and decorative air to any table.

This assortment includes cinnamon and sugar doughnuts hung on a coffee cup tree. Jelly-filled and chocolate doughnuts ring the base. It not only makes an attractive centerpiece, but also provides a lot of good eating.

Caramel Glaze

¼ cup granulated sugar ½ cup icing sugar
¼ cup boiling water

Measure granulated sugar into a heavy saucepan. Melt over low heat until syrup like. Add boiling water and stir until syrup melts; in a bowl measure the icing sugar. Add enough caramel liquid to make icing the consistency of cream. Dip doughnuts in glaze and set on wire rack or tray to dry.

Orange Glaze

1 cup orange juice ½ cup sugar
1 teaspoon grated orange rind ½ cup orange marmalade
3 tablespoons butter

Blend all ingredients in a saucepan and bring to a boil. Brush on doughnuts and sugar doughnuts hung on a coffee cup tree.

For the homemade taste plain cake doughnuts can be wrapped in foil and heated in the oven then glazed with a caramel or orange glaze and served warm.

IN MEMORIAM

In loving memory of my dear Mother, Dossie McKelvey who passed away one year ago, Aug. 14, 1973 and my sister Berniece Crawford (McKelvey), two years ago, Aug. 14, 1972.

Gone are the days we used to share. But in our hearts, you are always there; The gates of memory will never close. We miss you more than anyone knows. With tender love and deep regret, we who loved you will never forget. Sadly missed and always remembered by Mildred.

McKELVEY - In loving memory of my dear sister, Dossie McKelvey who departed this life Aug. 14, 1973. A sleep in God's beautiful garden Away from all sorrow or pain Someday when life's journey has ended We shall all be together again. Lovingly remembered by sister Alice.

McKELVEY AND CRAWFORD - In loving memory of a dear wife Dossie McKelvey who passed away Aug. 14, 1973 also my daughter Berniece Crawford who departed this life Aug. 14, 1972. Before the throne of God Thousands of people stand People whose sins are forgiven A holy happy band.

Up there around the throne My wife and daughter stand Waiting for me to join them In that holy, happy land. Sadly missed and always remembered by husband and father Bert.

McKELVEY - In loving memory of a dear Mother and grandmother Dossie McKelvey who passed away one year ago, Aug. 14, 1973. There is nothing so treasured And nothing so rare As the love that a mother And daughter can share Through joy and through laughter Through sorrow and tears They develop a closeness That grows through the years This love that they share Doesn't need to be spoken It's a wonderful bond That can never be broken.

Dearly loved and sadly missed by daughter Jean son-in-law Earl and grandchildren Gloria, Larry and Maxine.

In loving memory of my dear Mother Dossie McKelvey who passed away one year ago, Aug. 14, 1973.

When evening shadows are falling, And I sit alone and cry, In my heart there comes a longing, If you only could step by, Friends may think that I've forgotten When at times they see me smile But they little know the heartache My heart hides all the while. Sadly missed and always remembered by daughter Audrey.

In loving memory of my dear sister Berniece Crawford who passed away two years ago, Aug. 14, 1972.

It is not the tears at the graveside That tell how the heart is torn Sut the unseen tears of after years And remembrance silently borne. Sadly missed and always remembered by sister Audrey.

CRAWFORD - In loving memory of a dear wife and mother Berniece Crawford who passed away two years ago Aug. 14, 1972.

There is no parting from those we love No distance can divide For today in memories garden We still walk side by side Each dawning day a thought of her At eventide a prayer In the hearts that loved her She always will be there We shall meet again some day To live and love anew So rest in the garden of Jesus my love Until we come to you.

Sadly missed and always remembered by husband Russell and son Lockey.
